

MARRAR PUBLIC SCHOOL NEWSLETTER

TERM 3, WEEK 9, FRIDAY 16TH SEPTEMBER 2022

PRINCIPAL'S REPORT

Mr David Adamson

This will be the last newsletter for term 3. I would like to take the opportunity in thanking everyone involved with the school. Once again, we have had numerous challenges placed in front of us and we have worked together to solve them. The co-operation of parents, students, community members and staff is greatly appreciated.

I am taking long service leave from today. I will return at the beginning of week 2, term 4. Mrs O'Neill will be at school assisting with the senior class. Mrs Virginia White, AP Coolamon Central School, will be relieving Principal. As a result, I would like to wish you all a safe and enjoyable school holiday.

There will be a public holiday on Thursday 22nd September. It is a national day of mourning for Queen Elizabeth II. All schools and offices will be non-operational for the day.

The last day of term for students and staff will still be the following day, Friday 23rd September.

We have a number of events planned for term 4. The first of these will be the Life Ed Van which will be visiting the school at the end of week 2. The school excursion is planned for Wednesday 2nd to Friday 4th November (week 4). The children have already received numerous notes regarding this excursion.

Our Presentation Day/Year 6 Farewell lunch is planned for early December. The date will be confirmed early next term, with the format being similar to last years, with our Presentation followed by the Year 6 Farewell lunch.

3-6 REPORT

Chelsae

Last Wednesday we had our Reptiles On The Go show. For our first reptile we had Speedy the long necked turtle. Next they brought out 3 different lizards, first they brought out Bob, the blue tongued lizard. Then we had Cadbury, the shingle backed lizard. Then for our last lizard, we had the bearded dragon. Next we had and an adorable diamond python and olive snake. Lastly, we had the baby saltwater crocodile, it was so cute!

This week the 3-6 class has been doing shapes, numbers and nets with our teacher in training, Miss Shephard.

CAPTAIN'S REPORT

William

Last Wednesday we had the reptile show. There were two pythons, one turtle, two blue tongue lizards and a baby saltwater crocodile.

We also fixed the school's flagpole and got a new flag to put on it.

We have done 2D and 3D shapes in maths this week.

Last Friday we had a treasure hunt around the school and Reece and I were the winners!!

FROM THE K-2 ROOM

A while ago it was the reptile show. We saw two lizards, one long neck turtle, two snakes and 1 baby crocodile. I was scared of them, Lexi was a little scared too.

Today is the last day of AFL sporting schools. It will be fun, we have learnt a lot of stuff.

By Indi

The crocodile smacked Will because Will has been very naughty. The crocodile tried to eat me. The crocodiles claws were sharp.

By Charlie

Bill is loud and he loves bacon. He is green and slimy. Janet is Bill's friend.

By Chelsea

Once upon a time a dragon hatched from an egg. It was black. I found it in a volcano, I grabbed it and ran away. It hatched in my hands. At home I named it Black. I trained it to be good, it's power is destruction.

By Indi

Mia went to the zoo with her dog to see the penguins. The penguins name was Zoe, she is so cool. After, they went to the shop to buy a lollypop. She ate her lunch, she had a sandwich with meat and lettuce. After she finished her lunch she had her lollypop. After she had her lollypop she went to the park at the zoo.

P&C NEWS

marrarpandc@gmail.com**Next Meeting**

Our next meeting will be held on Wednesday 26th October, 7pm at the school. The change in date is due to the students and some parents being away for the school excursion.

Recycling

Thank you to the Marrar Camp Draft Association for allowing us to have recycling bins at the ground over the weekend of the rodeo, to collect cans for recycling. With money that we made from this, we will be purchasing 6 brightly coloured bins that will be accessible to local residents to contribute their recyclable bottles and cans to donate to the P&C. When we have finalised plans for this, we will let everyone know!

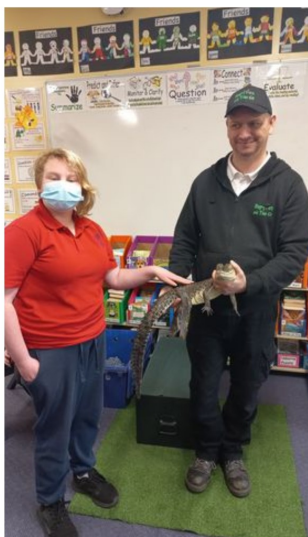

Before & After School Care

We are very excited that soon we will have access to an OSHC program at Coolamon. Please see the attached letter, and as soon as plans are finalised, we will let families know!

Working Bees

We will be holding a couple of working bees at the school during the holidays. We will let everyone know through the P&C group facebook page when times and dates have been confirmed.

REPTILES ON THE GO

School Holiday Program

The school holiday program has lots to offer for the upcoming school holidays! Some of the activities are bootcamp for kids, an excursion to Wagga for a movie & bowling, bath bombs and cake in a jar! Please contact the library for more information.

Service NSW

Service NSW will be visiting Ganmain on Monday 19th September and Coolamon on Wednesday 21st September. They are able to do drivers' licenses, proof of identity documents, WWCC, birth certificates and more. Please visit service.nsw.gov.au or phone 13 77 88 for more information.

Baby Bounce

Baby Bounce will be on Thursday 29th September. Baby Bounce is a 30 minute early literacy program designed to help very young children explore language. This is done by everyone joining in and learning an array of simple stories, rhymes and songs.

Save Power Kits

Save Power Kits are available to borrow for free from the Coolamon library. The kits can show you what appliances are using the most power in your home. They also give easy steps you can use to save money, power and reduce your impact on the environment.

Family History Group

Our local family history group will be meeting at the library on Saturday 24th September at 10.30am. Everyone is welcome to attend.

Coolamon Shire Library
