

MARRAR PUBLIC SCHOOL NEWSLETTER

TERM 4, WEEK 1 , FRIDAY 18TH OCTOBER 2024

PRINCIPAL'S REPORT

Mr David Adamson

Welcome to the start of term 4, 2024.

Term 4 is usually the busiest of all. Please keep an eye out for any notifications on School Bytes, facebook and the school newsletter.

Early this year all the children were provided with the new school hat with a broader brim. As we are now in term 4 we ask that all children wear the school hat to school so that they are able to play in the playground and participate in sporting activities. Staff have put small cones out in the back playground and let the children know not to go outside this area. The reason is so that staff are able to spot any snakes or magpies quickly.

The Life Education Van will be held on Monday 4th November, more information and permission will be on School Bytes closer to the date.

We have 5 new kinder students starting in 2025. The orientation days will start on Monday 11th November and will run for three weeks. We look forward to welcoming new families and students.

Presentation Day/year 6 farewell is scheduled for Monday 9th December, time to be confirmed but we are looking at mid-morning.

Movie or ten pin bowling day is planned for Monday 16th December. More information will be provided closer to the date.

Term 4 concludes for students on Wednesday 18th December.

Over the year, staff have participated in a number of out of school hours professional development courses. As a result, I am applying for a variation so that staff can also finish on the Wednesday. This will mean that the school will be non-operational for Thursday 19th and Friday 20th December. If you have any concerns regarding this, please contact me at school.

Planning is well under way for the 2025 school year. It is anticipated that we will have a completely separate K-2 and 3-6 class with staffing for each. Next year I am planning on looking after release for teachers and withdrawing children from class for intensive support. Once staffing for next year has been confirmed, I will let you know.

2025 swim school will be held from Monday 10th February through to Friday 21st February.

K-2 REPORT

It is the last term of the year.

We had nice holidays.

We must wear our hats.

We have been learning take aways.

We are learning about narratives, they are stories.

We love school and we love learning.

By Imogen and Ruby.

CAPTAIN'S REPORT

Alison

This week was the first week back to school. We are all set and ready to learn.

I'm sure you all had a safe and wonderful holiday.

This week we have been doing trivia questions and we all did so well.

Today for sport we are doing skipping, golden child and red light-green light.

Every Day Matters

When it comes to attending school, every day matters

If your child misses as little as **1 day per fortnight**, they will miss **4 weeks of school per year**, which adds up to over **1 year missed over their school life.**

Make sure your child doesn't miss out on the important things like:

Learning

Strengthening friendships

Build skills through fun
