

# MARRAR PUBLIC SCHOOL NEWSLETTER

TERM 4, WEEK 5 , FRIDAY 15TH NOVEMBER 2024

## PRINCIPAL'S REPORT

*Mr David Adamson*

Welcomer to the week 5 newsletter. Only 4 weeks and 3 days of the school year left!

Last week at the P and C meeting I informed parents about changes to staffing for next year. On Monday the children were informed.

Miss Salzke has decided to take leave next year as her eldest child is starting kinder. She is hoping to pick up work in Wagga, which will make life easier.

Next year, Miss Piltz will be teaching the 3-6 class. Mrs Notley joins us from teaching in the New England area of NSW. Mrs Notley is an experienced teacher and has a couple of younger children. I am sure you will make her feel welcome next year.

I will be having the children on a Friday morning for library and sport whilst teachers will be having their release time.

Logan will also be with us working in the K-2 class and Miss Sly will also be at school one day per week.

The office will be shared between Mrs Wyllie and Mrs Pattison. Mr Mack will remain as our GA.

At this stage I am unable to provide any further information regarding a new principal.

On Monday we welcomed our 5 new kinder students for 2025. From all observations they had a great morning. Next week they will attend until lunchtime.

If your child is absent due to illness in excess of 3 days we require a medical certificate. If you have any questions please contact me at school.

Presentation day planning is well underway. The day will start at 11.30am with the presentation until approximately 12.30pm. This will be followed by the Year 6 Farewell Lunch and cake. Information regarding lunch is available on School Bytes.

**We are going to do something a little differently for our Presentation Day this year! We would like everyone attending (parents and visitors!) to either wear a Christmas themed shirt or a bright coloured shirt. Our students will wear their sports shirt and shorts. I think it will be a fun way to celebrate the end of the year and the season!**

## K-2 REPORT

We had a busy week. Yesterday we had a new SLSO called Layla. She is nice.

We also had surf life saving and Happy Healthy Harold.

We had lots of fun at the kinder orientation. We played games and showed the kinder kids where everything is. Some people have their brother starting kinder next year. We are very excited!

### **Cooking Class**

3-6 students have started a cooking class and money (\$4 for each kid) for spaghetti bolognese needs to be handed in by the parents by 18th November or students will miss out on this delicious treat. The students will be making strawberry jam sometime later.

### **Beach to Bush and Kindergarten Orientation**

Our only beach to bush day is over for the year which so many students wish wasn't true.

With kinder orientation the first day was over earlier this week with the second and third days coming up. Most people reading this newsletter would know that the first was until the start of recess, the second to the start of lunch and the third is all day. On this day the orientation students may catch the bus to or from school.

### **Sport Report**

Sport, like always will stay on Fridays for the rest of the term. Swimming lessons begin soon in week 1-2 of next term.
