

MARRAR PUBLIC SCHOOL NEWSLETTER

TERM 1, WEEK 7 , FRIDAY 14TH MARCH 2025

PRINCIPAL'S REPORT

Mr David Adamson

Welcome to the week 7 newsletter.

This week, students in years 3 and 5 have been completing the NAPLAN tests. After some technical issues on Wednesday, the children were able to access the tests online and they will be completed today.

The P and C AGM was held on Wednesday evening with the committee for 2025 remaining the same. A big thank you to the P and C for all your efforts in supporting the school.

The gum tree at the front of the school has been removed. At the P and C meeting on Wednesday, discussions were held about holding a working bee in preparation for improvements. It will be exciting to see once everything has been completed.

On Thursday 20th March, the students in K-2 will travel to Coolamon and participate in a league tag day. I'm sure they will have a great time playing and mixing with other children from our neighbouring schools.

Once again, our attendance has been excellent!

End of term dates: Term 1 concludes on Friday 11th April, following the Easter hat parade.

Staff return for term 2 on Monday 28th April, with children returning to school on Wednesday 30th April.

Just a reminder for families that hats for the Easter hat parade are to be made at home.

2-6 REPORT

With Mrs O'Neill we are growing wheat out of potatoes and we have been writing our own stories. Some people have written over a thousand words.

Some people have been making volcanoes in the sandpit. The sandpit has almost been taken over.

With Miss Piltz we have been learning about nouns, verbs, adjectives and pronouns.

CAPTAIN'S REPORT

Thomas

At school we have been working hard on writing our narratives. Some people, including myself, are making a graphic novel. It's a lot of fun!

Next week, students in K-2 are going to Coolamon to play league tag, we hope they have a good time.

This week some students did NAPLAN.

K-2 REPORT

Mrs Guymer came and taught us on Wednesday which was fun. We've been learning about the seasons and months and learning the difference between numerals and numbers.
