

MARRAR PUBLIC SCHOOL NEWSLETTER

TERM 1, WEEK 10 , MONDAY 31ST MARCH 2025

PRINCIPAL'S REPORT

Mr David Adamson

Welcome to my last newsletter as Principal of Marrar Public School.

I would like to take the opportunity to thank everyone involved with the school for your efforts and contributions. I am very proud of Marrar PS as it is a fantastic school, very well supported by parents. Marrar would have to have the most active and supportive P and C that I have ever had the opportunity to work with.

The children at Marrar are wonderful. They are fun to be around and I am going to miss them all very much. I would like to thank them all for making Marrar a fun place to work.

The staff at Marrar are very supportive and hardworking and at all times they have the best interest of the children at the front of their minds. Thank you to the staff for making my role rewarding.

My first appointment was back in 1986 at Wee Waa High School straight out of uni. I then moved to Scone PS, Goulburn West PS, Binda PS, Gerogery PS and then onto Marrar. I will always have a soft spot for Marrar.

As of today, I have not heard anything regarding my replacement. I am sure that whoever it is, Marrar will welcome them with open arms and continue building on your strengths.

My last day will be Friday 11th April. This is the same day as the Easter hat parade. I will have my car packed and will drive to our house on the coast where I will once again be back living with my wife! I am looking forward to being able to spend my days deep sea fishing, playing golf and travelling with my wife for her work and holidays. In early May, our eldest son will get married, which is exciting for the family. Tonia and I will still have family in Wagga with our daughter. We will return often and I plan on making some surprise visits back to Marrar to see the children and staff.

Once again, a big thank you to everyone involved at Marrar. I am not going to say goodbye, but I will see you when I call in!

Thank you and take care.

Mr. A.
